Hammer Energy

Signal Telecom

What our experts say

"One of the toughest smartphones on the market. This device is packed with excellent features."

Signal Rating

Overview

5.7" large screen - Extremely easy to use and fits perfectly in the hand, thanks to 18x9 FullScreen. Reinforced housing - Dustproof and waterproof (IP68 certificate) with unparalleled resistance to falls and crush (IK08). A slim rugged phone - Featuring a thin casing which perfectly fits two cameras. A primary matrix SONY 13Mpx camera and the 8Mpx selfie shutter.
