

Dear Chris,

I'm taking this opportunity following the recent signing of our mobile contract to thank you for your diligent work in helping us review and agree the contract for the third successive renewal with yourselves.

I have always been delighted with the level of care and service we have received from you and your team at Stokesley over previous years and I had little desire to consider switching supplier. However, having looked around to compare, I was also reassured that the contract you had quoted was as competitive as any other I could find - service and price in one place!

I would like to offer special thanks to the support team in the office - Gina, Antonia, Steven and the team are always very efficient in their response and ready to help in any way they can - I honestly could not expect better service.
