

# Motorola G7 Plus

## What our experts say

"The Motorola G7 Plus offers fantastic value for a business smartphone. The battery should see you through your working day and the screen is excellent."

## Signal Rating

## Overview

Motorola G7 Plus has a sleek and premium design. The ultrawide 6.2" Max Vision Full HD+ display is stunning. Take excellent photos wherever you are with the dual camera system, complete with AI powered software. The speakers on the G7 Plus are tuned by Dolby Audio, making for a great experience when watching movies or listening to your favourite songs.
