

Nokia 1

What our experts say

"The Nokia 1 is a basic smartphone, which is very durable. It has a battery that will get you through the day and you will be able to download all the popular apps you know and love from the Play Store."

Overview

Nokia 1 offers an optimised smartphone experience, accessible to everyone. Its design details give it the iconic look you love and the durability you need. And the exchangeable Xpress-on covers are back too. Some things are timeless.
