

Oppo Reno Z

What our experts say

"Don't be put off because you haven't heard of the name, Oppo are brand on the rise! This is a stunning device."

Signal Rating

Overview

Oppo Reno Z has an excellent 48MP camera, which captures stunning photos. The large 6.4 inch AMOLED display is a joy to work on. Watching your favourite content on the device is also an enjoyable experience. Oppo is a brand on the rise, we expect big things from them over the next few years!
